TRACK Wins More Awards

This month it was announced that the TRACK website and the TRACK Marketing Campaign have both won APEX (Association for Publication Excellence) Awards of Excellence. Sponsored by Communication Concepts, Inc., the APEX awards are based on excellence in graphic design, editorial content and the ability to achieve overall communications excellence.

Katrina Wells Leaves Student and Faculty Services

Katrina Wells will be leaving UTTC at the end of July to start a new career as an educator. Beginning with the fall semester, Katrina will be teaching at Park Crest Middle School in Pflugerville ISD where she'll be responsible for three periods of 7th grade science and two periods coaching girls' athletics. She does not have her specific coaching assignments yet, but knows that she will be assisting with all three girls teams (basketball, volleyball and track). While we will miss her tremendously, we wish her well in her new endeavor – the students will be fortunate to have Katrina as a teacher. While working in Student and Faculty Services, Katrina was responsible for TRACK inquiries and communications, as well as management of the CEO course registration system and communications with campus staff and students about the system.
